CARE INSTRUCTIONS

• Ensure the shower chair and all fitted parts are secure before use.
• For freestanding models, place the chair on a flat, stable surface and ensure all feet rest firmly on the floor before use.
• For height-adjustable models, ensure all legs are set to the same height and securely locked before sitting.
• Check that rubber feet, where fitted, are secure and are not excessively worn.
• For wall-mounted models, ensure the chair is properly installed on a suitable wall and all mounting fittings are secure. Fully lower the seat into its intended position before use.
• Ensure the seat, backrest, armrests and other fittings, where applicable, are properly positioned and secure before use.
• Do not exceed the safe working load stated for the product.
• When sitting down or standing up, ensure the chair remains stable. Seek assistance if needed.
• Do not stand on the seat or use the chair as a step.
• Clean regularly with a soft cloth and a mild cleaning solution suitable for the product's materials. Follow any material-specific care instructions supplied.
• Rinse away soap residue and dry after use. Avoid abrasive cleaners that may damage the surface.
• Regularly inspect the seat, frame, adjustment points and mounting fittings, where applicable, for looseness, cracks, damage or wear.
• Stop using the chair if any part appears loose, damaged or unstable, and arrange for inspection or replacement before further use.
