LIVORNO PREMIUM CONTINUOUS SIDE RAILS NURSING BED

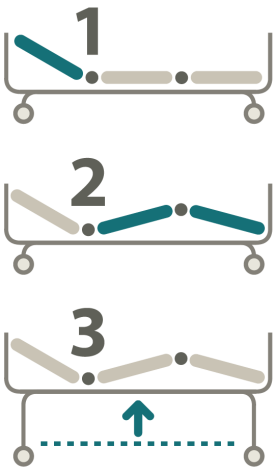
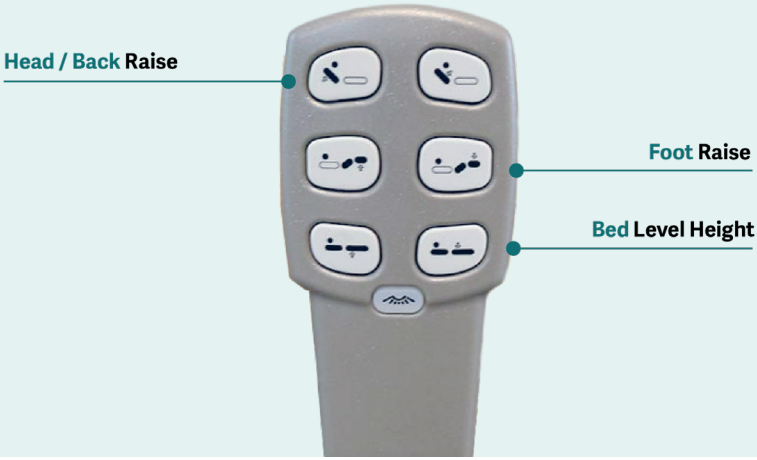
PRODUCT FEATURES



The 3 Crank electrical premium bed is our standard electrical bed for home patient use. It is low in power consumption and only consumes power when the remote is pressed on.

Bed Functions:

- Back Raise lifting angle is 0-70°(±5°)
- Foot Raise lifting angle is 0-50°(±5°)



All steel parts are powder coated. Each bed can be equipped on both side with side rails. Side rails can be lifted and lowered to protect users against falling out of bed, at the same time enable safe and comfortable boarding and alighting.
