CARE INSTRUCTIONS

- When using mobility commode, please pay attention to people and/or items around to avoid collision.
- Lock the wheels before getting in and out of the Commode.
- When getting in and out of the commode, please do not stand on the footplates.
- The footplates should be folded up beforehand, or removed.
- Pay attention to the shift of the Center of Gravity when on elevated grounds.
- When passing through doors or arches, make sure that there is enough room to avoid causing injuries to the user, or damage the Commode.
- Do not exceed the maximum load.
