CARE INSTRUCTIONS

- When using the Wheelchair, please pay attention to people and/or items around to avoid collision.
- Lock the wheels or turn off the motor before getting in and out of the Electrical Wheelchair.
- Do not try to charge the Electrical Wheelchair with direct wall plug.
- Pay attention to the shift of the Center of Gravity when on elevated grounds.
- When passing through doors or arches, make sure that there is enough room to avoid causing injuries to the user, or the Wheelchair.
- Do not exceed the maximum safe working load.
