# LIVORNO PREMIUM CONTINUOUS SIDE RAILS NURSING BED

## PRODUCT FEATURES

The 3 Crank electrical premium bed is our standard electrical bed for home patient use. It is low in power consumption and only consumes power when the remote is pressed on.

**Bed Functions:**

- Back Raise lifting angle is 0-70°(±5°)
- Foot Raise lifting angle is 0-50°(±5°)

Head / Back Raise

Foot Raise

Bed Level Height

All steel parts are powder coated. Each bed can be equipped on both side with side rails. Side rails can be lifted and lowered to protect users against falling out of bed, at the same time enable safe and comfortable boarding and alighting.

## CARE INSTRUCTIONS

- When using Hospital Bed, make sure that there is enough room to avoid causing injuries to the user, or damage the Bed
- Ensure the wheels are locked before getting onto and off the Hospital Bed
- Ask for help if users have difficulty adjusting the Hospital Bed
- Do not exceed the maximum load
