CARE INSTRUCTIONS

- Place the commode on a flat and stable surface before use.
- Ensure all legs are adjusted to the same height and securely locked before sitting.
- Check that all rubber tips are fitted securely and are not excessively worn.
- Ensure the seat, armrests and bucket are properly positioned and secure before use.
- Do not exceed the safe working load stated for the product.
- When transferring to or from the commode, ensure the chair remains stable and does not move.
- Empty and clean the commode bucket after use. Wash with mild soap and water and dry thoroughly before replacing.
- Clean the seat and frame regularly using a soft cloth and mild cleaning solution. Avoid abrasive cleaners that may damage the surface.
- Regularly inspect the frame, adjustment points, seat and other fittings for looseness, cracks, damage or wear.
- Stop using the commode if any part appears loose, damaged or unstable, and arrange for inspection or replacement before further use.
