ONTARIO 2 GERIATRIC CHAIR

PRODUCT OVERVIEW

For illustration purposes only

The Vermeiren Ontario 2 is an electric recline-and-lift chair designed to support comfortable resting and safer sit-to-stand transfers. Its backrest and footrest can be adjusted independently using the hand control.

ONTARIO 2 GERIATRIC CHAIR

PRODUCT FEATURES

ELECTRONICALLY CONTROLLED

Use the intuitive electronic remote to adjust the chair with ease.

SMOOTH RECLINE

Fully recline the chair for maximum comfort by using the remote.

POWER LIFT ASSIST

Activate the power lift mechanism to help stand up or sit down safely.

For illustration purposes only

CARE INSTRUCTIONS

- Keep the chair on a level surface at all times to ensure stability
- Do not exceed the maximum load specified by the manufacturer
- Regularly check/tighten all screws and moving parts to maintain proper function
- Keep the upholstery clean by wiping with a damp cloth; avoid harsh chemicals
- Ensure that the chair is positioned with sufficient space around it to prevent damage
- Always use the lift and recline functions gently to avoid wear and tear
- Check the power cord and battery regularly for damage or loose connections.
